

Introduction:

This Privacy Policy applies to our use of personal information collected through Facebook Lead Ads. These ads are designed to collect personal data for various business purposes.

Data Collection:

We collect personal information via Facebook Lead Ads. This includes, but is not limited to, forms such as order forms, sign-up forms, and contact forms, as well as email communications.

Types of Personal Information Collected:

The types of personal information we collect include:

- * For newsletter/marketing/blog signups: Email address and name.
- * For quotes: Information about user properties.
- * For setting up appointments: Approximate location and phone number.
- * For offering training or courses: Job title, employer's name, and education details.

Consent:

We ensure to obtain user consent where required by law, especially for using personal information for multiple purposes. For instance, if we are using an email address for sending a free ebook and adding it to a marketing mailing list, we will request separate consent for each activity.

Compliance with Privacy Laws:

Our Privacy Policy complies with relevant privacy laws. We are committed to protecting user privacy and ensuring transparency in the use of their information.
